Date Of The Training  
**26 October, 2022**  
**Riyadh, Saudi Arabia**

## BHealth and Herbal Products Development process and regulatory approval

**26 October, 2022**  
**Riyadh, Saudi Arabia**

### OVERVIEW

Understanding drug regulatory affairs in the GCC region is very important for persons working in pharmaceutical sector in the region. This course is specifically designed for persons working in the regulatory affairs departments or related fields, who need knowledge of the SFDA and GCC regulatory processes. This training will also enhance understanding and be beneficial to persons who work in clinical research, data management, basic research, project management and marketing, etc.

### LEARNING OBJECTIVES

**At the conclusion of this training, participants will be able to:**

- Define the key principles and processes used by the Saudi Food and Drug Authority (SFDA) in regulatory submission and approval.
- Define official regulatory policies and other issues pertinent to a successful SFDA and GCC regulatory strategy
- Describe the requirements for marketing applications for herbal and health products and document preparation.
- Recognise SFDA oversight and processes during the post- approval phase.
- Interact appropriately with the SFDA during all phases of drug registration

### KEY TOPICS

- Principals of Regulatory Affairs (RA) and Legal Framework
- Principles of Products licensing and Evaluation
- Data requirements for health and herbal products
- Overview of the SFDA Electronic systems

### Who should attend

**Professionals working in:**

- Pharma Regulatory Affairs
- Fresh Graduate
- Scientific Office Managers
- Regulatory Authorities.
- Dossier Management
- Pharmacist
- Compliance

### Bawazir Pharma Approach

Bawazir Pharma approach is grounded in the belief that compliance and quality should be managed as any other critical business issue. Proper quality management and a state of regulatory compliance will result in a decrease in direct costs such as rejects, and indirect costs such as adverse events and recalls.

Bawazir Pharma offers professional services to complete all aspects of regulatory affairs. The depth of our experience and knowledge acquired from our work with the Regulatory authorities, ICH, International Standards Organization is made available to our partners. Our team can guide your organization through compilation of an original submission, perform submission maintenance and step in to support your internal staff during workload peaks.

## EXPERT TRAINER

### **Prof. Saleh A Bawazir**

CEO, Bawazir Pharma Consulting Center  
EX-Vice President for Drug Sector (SFDA)

Professor Bawazir worked for eight years as an advisor to the Minister of Health for pharmaceuticals. During his work, he chaired the committee that revised and updated the pharmacy law, updated drug registration procedures and established pharmaceuticals pricing guideline. He also represented the Ministry of health in the national committee that negotiate Saudi Arabia accession to the World Trade Organization (WTO) and the committee that establish the Saudi Food and Drug Authority (SFDA).

For the last nine years Professor Bawazir worked as vice president for drug affairs and advisor at the SFDA. During his work, he led the drug sector development through a strategic plan and managed to establish a state of the art drug regulatory system that ensure quality, safety and efficacy of the pharmaceutical products and contributed positively to overall public health. Under professor Bawazir supervision the SFDA built many electronic databases and regulatory framework that implement electronic Common Technical Document (eCTD) for drug submissions and established a strong regulatory framework for clinical trials and construct the Saudi Clinical Trial Registry (SCTR) Database. Under professor Bawazir leadership the drug sector at the SFDA is recognized as a leading drug authority in the region and worldwide. Furthermore, Professor Bawazir represented the GCC for the last eight years in the Global Cooperation Group under the International Conference on Harmonisation of Technical Requirements for Registration of Pharmaceuticals for Human Use (ICH)
